

First Evangelical Lutheran Church of Rush City

Fall 2015

A breakdown of our congregation's giving patterns

Find where your monthly giving is on this chart for the:
GENERAL FUND

115 of 300 households

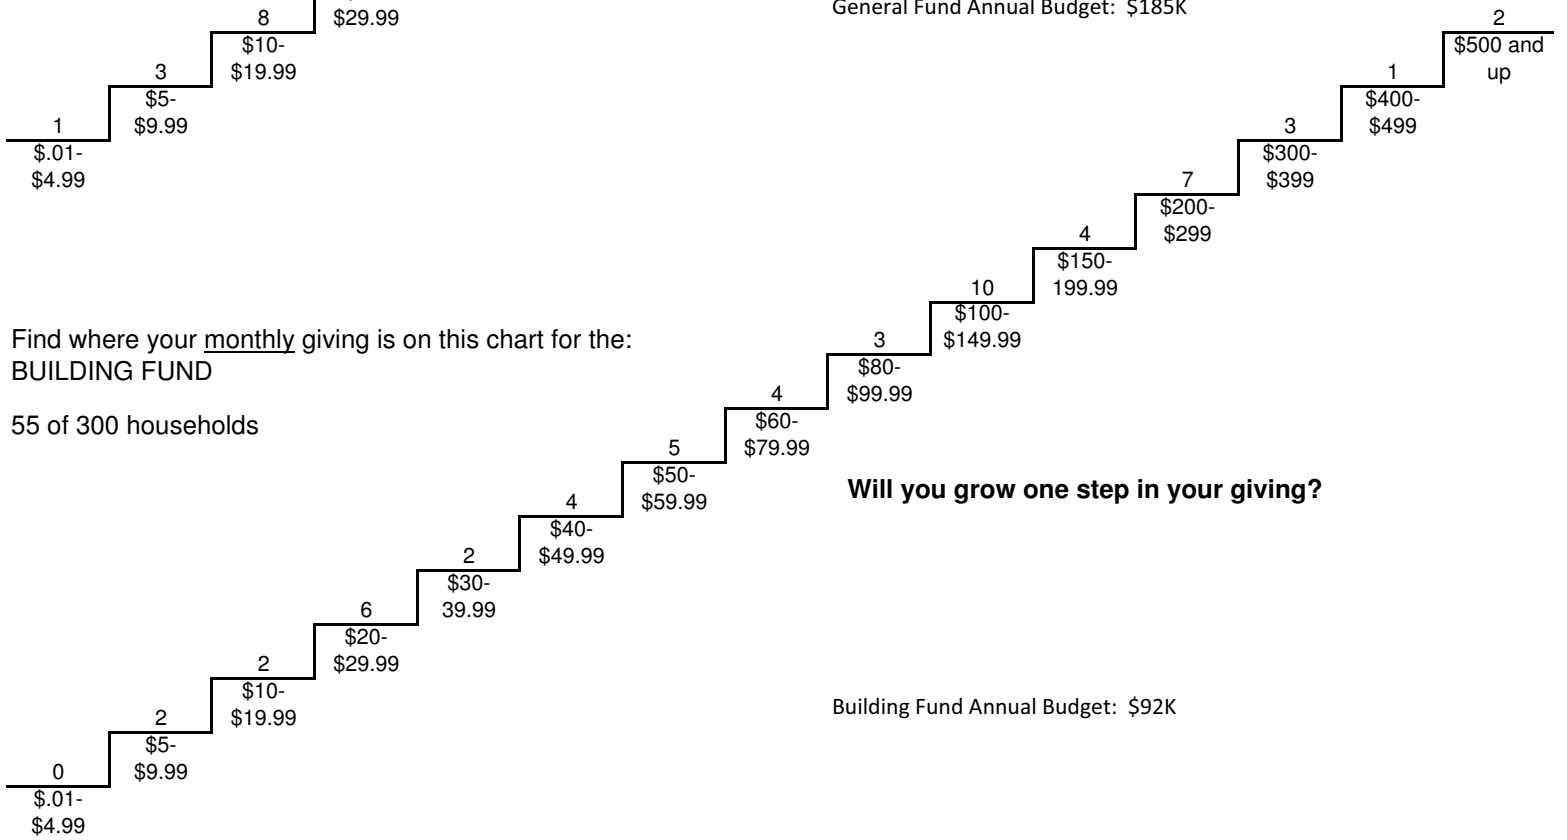

Will you grow one step in your giving?

General Fund Annual Budget: \$185K

Find where your monthly giving is on this chart for the:
BUILDING FUND

55 of 300 households

Will you grow one step in your giving?

Building Fund Annual Budget: \$92K

Fair Share 2015: The Annual Budget is designed to meet all current obligations and works of the church, General Fund and Building Fund combined. When divided by the 300 approximate total number of member households, this amounts to \$19/week or \$77/month. As you can see from the step charts above, many households contribute more than that amount, and most households don't participate in giving at all. Find your place on the step chart and ask, can I move up to the Fair Share amount or grow one step in my current giving?

To maintain and expand the vibrancy of our ministry, we encourage each household to set a spirit-led goal that represents your grateful heart! What's possible for First Lutheran when we all participate?

Information provided as of November 2015. For more information, contact the Stewardship Committee or Pastor O'Shea.
